SPEAK UP!

SOONER THE BETTER. EARLIER THE SAFER.

Report symptoms, if you aren't sure. It's the best way to cure

Early detection is the key to a quick recovery. Keep a close vigil on yourself & your family members. Promptly share alarm and report, if you experience any unusual signs or COVID-19 like symptoms of S.I.(influenza like illness) / SARS (severe acute respiratory infection) such as fever, cough, sore throat, or difficulty in breathing.

SIMPLE STEPS TO SHARE SYMPTOMS & STAY SAFE

- Inform your DRAC/Manager/HOD
- Alternatively, report to Corona Corner Helpdesk
- Manager/DRAC/HOD to contact OHC or nearest sample collection centre
- Medical team to conduct necessary tests, if need be
- You stay Isolate/Home until test results are received/concluded

The main text is centered and reads: "As the central and state governments continue with their heroic efforts to provide relief, the JSW Group is committing **INR 100 Crores** as a direct contribution towards the PM CARES fund." Below this, it says "India, let's see it through, together!". Then, "We have also pledged assistance to the following initiatives to complement the INR 100 Crores Contribution:". This is followed by a two-column list of bullet points. At the bottom right of the graphic is the hashtag "#BetterEveryDay".

JSW
TOGETHER, WE RISE FOR THE NATION

As the central and state governments continue with their heroic efforts to provide relief, the JSW Group is committing **INR 100 Crores** as a direct contribution towards the PM CARES fund.

India, let's see it through, together!

We have also pledged assistance to the following initiatives to complement the INR 100 Crores Contribution:

- Each JSW Group employee has pledged a minimum of a single day's salary to the PM CARES Fund
- Communities around JSW Group Facilities will be provided with food and essential staples
- A component of the funds will be used towards sourcing ventilators, testing kits & PPE for health workers
- Conversion of various JSW Group facilities into isolation wards limiting stress on community hospitals
